A black and white photograph of Donald Trump from the chest up. He is wearing a dark suit, a white shirt, and a light-colored tie. His expression is serious and somewhat stern. In the lower-left foreground, there is a red, glossy speech bubble with a tail pointing towards the bottom left. Inside the bubble, the text "happiness at work??" is written in a black, sans-serif font.

"Trust is built by sharing vulnerability"

The more you expose and share your problems, the more successful you become. It's not about the top executive dictating what needs to be done and when, it's about providing individuals with the power to connect.
